

5th Annual Pooling Together Pool Tournament!

Saturday & Sunday, December 4th & 5th

Slate Street Billiards in Rio Rancho

New Mexico is 2nd in the nation for bereaved children under the age of 18 who have lost a parent or sibling. That is one in ten children! Add to this fact that unaddressed grief can cause a lifetime of mental, emotional and physical consequences and the need for support is apparent. At the Children's Grief Center and Grief Resource Center we provide **free** age-appropriate support groups and workshops for those who are grieving the death of a loved one.

Your company's support will provide Hope and Healing to our grieving community.
