

WHAT IS GNA-NM?

The Grief Networking Alliance of New Mexico (GNA-NM) is a professional networking group that connects and supports grief care providers. It serves as a hub for lay and professional providers to collaborate, share resources, and build relationships, fostering a more compassionate and comprehensive approach to grief, death, and end-of-life care. Through education, discussion, and mutual support, GNA-NM strengthens the accessibility and impact of grief-related services across the state. Our mission is to enhance the well-being and holistic growth of those providing support to grievers.

How Do I Become a Member?

You become a member by joining our email listserv and member portal. There is no cost to attend GNA-NM general meetings, and no membership fees. There is no meeting attendance requirement.

Who Is Invited?

Funeral directors/death care professionals, counselors, lawyers, hospice professionals, death doulas, doctors, nurses, victim advocates, community center staff, clergy, certified peer support workers, volunteers, law enforcement, first responders, social workers, and more.

What We Do:

- 4 quarterly meetings per year (check website and social media for dates, topics, and locations).
 - February, May, August, November.
- Grief Alliance Peer Support (GAPS) Group for grief support providers once per month.
- Special presentations, webinars, social events, and community tours throughout the year.
- Maintain a private listserv for members to communicate about upcoming grief events, resources, referrals, case processing, etc.
- Distribute information to the community about grief support throughout the state via social media.
